Dear Mrs Wright

**Fylde Council Local Plan**

I write in response to your letter of the 20<sup>th</sup> March.

As part of your examination of the above Plan main modifications can be recommended if they are formally requested by the Council. This would only be where changes are required to make the document sound or legally compliant.

I confirm that the Council wishes for you to recommend main modifications, if they are required.

Yours faithfully

Julie Glaister Planning Policy Manager
