Subject: RE: Fylde Local Plan Matters Issues & Questions responses and hearings participation

Dear Tony,

None of the MIQ's appear to relate to traffic impacts on the Strategic Highway Network (from our point of view this would only relate to M55 J3) and I do know that Warren has formally responded to Fylde Council's consultation previously setting out Highways England's position, which basically states that we have no issues with the plan. In terms of representation at the hearing we were not intending to attend.

I trust that this is acceptable and please let me know if you wish to discuss.

Kind regards,
Dave
