Subject: Fylde Local Plan hearings commencing 20 June

This email is addressed to participants at the forthcoming Stage 2 hearings and provides an opportunity to check participation intentions for the relevant Matters. I have also included in this circulation selected other individuals who have expressed a desire to be kept informed of progress or who may be attending as observers.

In respect of the timing of sessions, my attached v2 programme update remains the same as that previously supplied other than participant details which are now appended. Please would you let me know as soon as possible if there are any changes required to these.

I will provide a copy of the above programme to all table participants and additional a copy of the Inspector's MIQs (library item EL5.005b) which will continue to form the broad agenda for discussion.

Some days in the timetable, particularly in week 2, are modestly attended and so may result in shorter sessions; accordingly a prompt arrival is recommended together with suitable advice to any intending observers who have been in contact with you. So far as other administrative arrangements are concerned, most of you will be familiar with the venue and local facilities and these will continue as before. In summary, daily sessions will begin at 10.00am and I will arrive in good time each day enabling the venue room to be available from around 09.00am. The usual hotel facilities including car parking at the Dalmeny will also be available through the day and we will provide limited refreshments in the venue room itself. Please feel welcome to contact me if you have any particular needs or if I can supply any further useful information.

Thank you.

Tony
