Subject: Fylde Local Plan revised start time Wed 28th

This email is addressed to Local Plan representors and a modest number of other parties who have asked to be kept informed of progress.

I have been advised that our hearing session for next Wednesday 28th June clashes with a Planning Committee meeting at the Town Hall on the same day and a modest number of our participants have an interest in both events. Accordingly, we have revised the start time of our Local Plan hearing session at the Dalmeny Hotel on the 28th – this will now start at 11.00am and commence with Matters 9 and 10 with an expectation that the round up session will progress at around 12 noon or thereabouts.

Hearing sessions on other days will continue to start at 10.00am.

Thank you.

Tony
