1. The Council are proposing to make amendments to the policy for development in the Countryside. The HBF does not consider that this policy is in line with NPPF 2019<sup>1</sup>, which looks for planning policies to be responsive to local circumstances, to support housing developments that reflect local needs and to locate housing where it will enhance or maintain the vitality of rural communities. It then goes on to set more restrictive policies for 'isolated homes in the countryside', these are similar to those currently included in Policy GD4. The HBF consider that this policy should be amended to better reflect the policy set out in NPPF.
