Dear Mrs Wright,

The post hearing letter was published on the examination webpage shortly after it was received, it is document EL3.004a.

On the 19<sup>th</sup> May the post hearing letter was presented to the Council's Planning Committee. The Council accepted the directions set out in the post hearing letter. Members also requested that Draft Main Modifications which set out the changes directed by the post hearing letter are drafted for further consideration by the Planning Committee prior to being consulted upon, in order that the PRFLP32 can progress towards adoption.
