

Covid Safety Measures at Lytham Park Crematorium

What you can do

- Wear a mask
- Socially distance
- Sanitise your hands
- Listen to the funeral service outside
- Keep the chapel entrance foyer clear
- Check in on the NHS App

What we are doing

- Playing funeral services through external speakers
- Keeping chapel doors and windows open for ventilation.
- Ventilating the chapel between funeral services
- Providing hand sanitiser and hand washing facilities
- Cleaning regularly
- Operating a one-way system
- Displaying an NHS QR code
- Staff wear masks and PPE, regularly sanitise their hands and self-isolate when requested to by the NHS

Please note there is a legal exemption allowing people who are Covid positive, self-isolating or in quarantine to attend funerals. Those people are advised by the government to only attend funerals of close relatives and keep a social distance of 2m.
