The Leader's Message

The last twelve months have been deeply challenging for us all. The Covid-19 pandemic has taken from us loved ones, dealt a blow to our economy, and made our daily lives that much more difficult. At the time of writing, the end of the pandemic is in sight. With vaccinations and booster jabs widely available, and with the government lifting restrictions, we can pause a moment to reflect on how far we have come.

Throughout the year, Fylde Council has sought to provide support to those worst affected by the pandemic - administering grants for local businesses, offering residents help with food and living expenses, and continuing to achieve the excellent standard of everyday service our ratepayers rightly expect while keenly delivering value for money. Not one bin round was cancelled because of Covid; an exemplary record that could not be achieved by all councils.

This year, Fylde Council also unveil a new feature in the Leader's Review; a dedicated page on our website which showcases the many and varied accomplishments Fylde Council have delivered for the people of the borough, accessible via the QR code on this leaflet or by entering the address into your internet browser. You will also see details of the budget for 2022/23 and the satisfaction ratings from our household survey. I welcome you to judge for yourself how well we have served our residents, and I wish you all the very best in the new financial year.

About your Council Tax

There is one bill per dwelling and each property is allocated one of the eight valuation bands according to its open market capital value at 1st April 1991. Your band is shown on your bill.

There are strict time limits for appeals against your banding, and this must be made within six months of you becoming liable for the council tax on your property. You can appeal against your banding by visiting www.gov.uk/challenge-council-tax-band. Alternatively, you can call 03000 501501 or email ctonline@voa.gsi.gov.uk

The Valuation Office Agency are responsible for banding properties, not the council.

If you think any decision we have made about your CTR is wrong you must tell us within one month of this notice or we may not be able to help. You can ask for an explanation of our decision, ask us to look at it again, or appeal (in writing) against it.

Disabled Relief

This is awarded where special adaptations have been made to your home to accommodate a disabled resident. If you qualify you will receive a reduction equivalent to one band on your bill. An initial inspection of your home will be made prior to the award of this relief, and a new application is required each year.

Discounts and Exemptions

A Single Occupier Discount of 25% is applied if you have previously declared that you are the only adult resident at the address. But if your circumstances have changed and this is no longer the case – maybe another adult has moved into this address or a child has become 18 – you must inform us immediately so that your bill can be adjusted. We will check to see that the information you provide is correct, which may involve cross-checking data with external bodies.

In certain circumstances other discounts are available to the following groups of people:

- Single person households
- People who are deemed to be severely mentally impaired
- 18 year old's for whom child benefit is payable

- Apprentices
- Persons detained in custody

A 50% Council Tax reduction applies where certain criteria are met in relation to annexes occupied by a relative of the occupier of the main dwelling, or for people with annexes which are unoccupied.

If you think we've made a mistake with your Council Tax, or you think you may be entitled to a discount, exemption or relief, please contact us in writing and we will look at it again.

Lancashire County Council Adult Social Care Funding

The Secretary of State made an offer to adult social care authorities. ("Adult social care authorities" are local authorities which have functions under Part 1 of the Care Act 2014, namely county councils in England, district councils for an area in England for which there is no county council, London borough councils, the Common Council of the City of London and the Council of the Isles of Scilly.)

The offer was the option of an adult social care authority being able to charge an additional "precept" on its council tax without holding a referendum, to assist the authority in meeting its expenditure on adult social care from the financial year 2016-17. It was originally made in respect of the financial years up to and including 2019-20. If the Secretary of State chooses to renew this offer in respect of a particular financial year, this is subject to the approval of the House of Commons.

If you would like to receive a paper copy of the financial information relating to the website links of your bill, free of charge, your request should initially be made in writing to the address on your Council Tax bill.
