

GREEN REFUSE SACK COLLECTION SERVICE

- The GREEN refuse sacks should only be used for household waste that cannot be recycled
- Households are limited to two GREEN refuse sacks per week
- To prevent spillages please remember to secure green refuse sacks by tying the tops and take care not to overload the sacks
- All non-recyclable waste must be placed inside green sacks for collection. Black sacks or other containers will not be collected

IMPORTANT INFORMATION

- The GREEN refuse sacks are collected on a weekly basis and replacement sacks will be left on collection day. The GREEN recycling box and BLUE recycling bag are collected fortnightly
- Please place the containers out at the edge of your property by 7:00am on your scheduled collection day
- All waste must be placed loose in the green box and blue bag, please do not place in carrier bags
- Please follow the recycling guide as green boxes and blue bags containing the wrong items will not be collected
