

Statement of Intent for ECO4 and Great British Insulation Scheme

Fylde Council ECO4 and Great British Insulation Scheme Flexible Eligibility Statement of Intent

Local Authority name: Fylde Council

Publication Date: 28/11/2023

Version number: V.03

Publication on web site: www.fylde.gov.uk

This statement sets out **Fylde** Council's flexible eligibility criteria for the Energy Company Obligation (ECO4) and Great British Insulation schemes which run until March 2026.

The ECO4 scheme will focus on supporting low income and vulnerable households. The scheme will improve the least energy efficient homes helping to meet the Government's fuel poverty and net zero commitments. The Great British Insulation Scheme will support the ECO4 scheme in the delivery of predominantly single measures targeted at a wider range of households.

The flexible approach for Local Authorities (LAs) to identifying fuel poor and vulnerable households who may benefit from heating and energy saving measures is referred to as "ECO4 Flex" and "Great British Insulation Scheme

The Council is publishing this Statement of Intent (Sol), on the 28/11/2023 to confirm that each of the households declared will adhere to at least one of the four available routes outlined below. The tick boxes can be used to indicate to households which routes the council is using:

Route 1: Owner-occupied and private rented sector households with a gross annual income less than £31,000. This cap applies irrespective of the property size, composition, or region.

Route 2: Owner-occupied and private rented sector households that meet a combination of two of the following proxies:

* Note proxies 1 and 3 cannot be used together.

Proxy 1) *Homes in England in Lower-layer Super Output Area 1-3 (LSOA)* The English Indices of Deprivation 2019 (publishing.service.gov.uk)

Proxy 2) *A person living at the premises is entitled to a Council Tax reduction on the grounds of low-income.*

Proxy 3) *A person living at the premises is considered to be vulnerable to the cold under the National Institute for Health and Care Excellence (NICE) Only one from the list can be used, excludes the proxy 'low income'.*

Proxy 4) *A child living at the premises is eligible for free school meals, due to low-income.*

Proxy 5) NOT IN USE

A person living at the premises is supported by a scheme established by the LA/DA that is named and described within their Statement of Intent and established to support people living on a low-income and considered vulnerable to the cold under NICE Guideline.

Proxy 6) *A household referred to the LA for support by their energy supplier or Citizens Advice or Citizens Advice Scotland, because they have been identified as struggling to pay their electricity and/or gas bills.*

Route 3: SAP bands D-G households that have been identified by their doctor or GP as low-income and vulnerable, with an occupant whose health conditions may be impacted further by living in a cold home. These health conditions may be cardiovascular, respiratory, immunosuppressed, or limited mobility related.

Route 4 [applicable to ECO4 Flex only]: UNAVAILABLE IN FYLDE Owner-occupied and private rented sector households that are referred under Route 4: Bespoke Targeting. Suppliers and LAs can submit an application to the Department for Energy Security and Net Zero where they have identified new methods to identify low-income and vulnerable households. Applications need to demonstrate a number of factors, including that the proposed methodology is more effective at identify households in fuel poverty than the criterion offered under Routes 1 and 2.

All potentially eligible households should apply through Fylde Council or one of their approved ECO / Great British Insulation Scheme installers, if a list of approved installers is available, to see if they can either benefit from the scheme or be assessed for eligibility under any other relevant programme.
