

Fylde Community Safety Partnership Plan 2022 – 2025
 “To ensure the Fylde remains a safe place to live, work and visit”

The Community Safety Plan priorities and key actions: -					
Dealing of drugs and associated crimes (including violence and exploitation)	Partnership response to existing and new threats of serious and organised crime, county lines and modern slavery	Ensure our communities know how to report crime and seek support and safe spaces confidentially	Protect vulnerable individuals who are at risk of exploitation	Raising awareness of issues relating to county lines and knife crime. Raising awareness in educational settings including primary schools and high schools.	Investigate online crime and grooming.
Road safety	Raise awareness of the Crimestoppers website crimestoppers.uk.org which can be used to report speeding vehicles	Support road improvement schemes to design out speeding	Promote the use of the County Council’s Love Clean Streets mobile app for the quickest and easiest way for individuals to report a highway fault Raise awareness of Lancroadsafety.co.uk .	To work with Lancashire Fire and Rescue to undertake road safety campaigns for car users, motorcyclists and cyclist driven by data statistics to work on changing attitudes and behaviours	Delivering coordinated enforcement, education and campaigns in collaboration with the County Council and Lancashire Constabulary
Violent crime (including Domestic Abuse)	Map current responses to understand our compliance with the DA Act 2021	To compile a Serious Violent Crime Action Plan and to keep this under review by the Partnership. To ensure all partners fully utilise the safeguarding policy with their organisations.	To work with schools to raise awareness of related issues such as misogyny and coercive control	Cases linked into the Antisocial Behaviour Team and integrated team, with clear pathways of referral and actions.	Local authority duties for people fleeing domestic abuse and to work with Fylde Coast Women’s Aid.
Anti-social behaviour	Prevent and tackle anti-social behaviour / analyse ASB to identify hot spot areas	Early help and diversionary approach to keep young people away from the criminal justice system	Monitor the use of ASB tools and powers e.g., parent letters, panels, acceptable behaviour contracts, community protection warnings / notices	Review, educate in relation to and enforce public space protection orders	Key engagement with representative youth groups. Look to develop further diversionary activity groups.
Substance misuse	Undertaking multi-agency test purchase campaigns	To work with other agencies to ensure that clear information is available with respect to the risks associated with vaping	To work through Lancashire County Council to provide information to schools for inclusion within the curriculum on drug and substance misuse	To work with partners to make referrals to the drug and alcohol service and to consider the effectiveness of this through service outcomes To ensure multi agency and partnership working takes place to disrupt and tackle problem premises.	To promote the ‘we are with you’ service.
