- ✓ Greetings cards and wrapping paper (no foil)

Thank you for subscribing to the Commercial Recycling collection service for your business. Please find enclosed a sticker for each container that you have paid for along with the instructions on where to attach the sticker to the bin (see reverse of sticker).

Please present your recycling containers by 7:00am in the storage area agreed by Fylde Council. Access to the bin(s) must be made available from 7:00am on the day of collection for the removal of the contents of the bin(s) and in the event that access is denied the Council shall not be under any obligation to return to empty the bin(s). All requests to return to empty the bin(s) will result in an additional fee charged per bin lift, which must be paid in advance.

Any bins containing the incorrect material will be recorded by the collection team and the business will be written to accordingly. We will be unable to empty the recycling bin containing incorrect material in this instance.

Commercial Dry Recycling can only be collected in the correct containers purchased from Fylde Council.

Any changes to your Commercial Recycling agreement will require an amendment form and new Annual Waste Transfer Note completing.

Please find the link to the bulk bin amendment form if you wish to amend your collection agreement: www.fylde.gov.uk/ctr. For questions, please email tradewaste@fylde.gov.uk
