## M

Describe the steps you intend to take to promote the four licensing objectives:

### a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The premises is primarily a gift shop with a very small selection of alcohol based gifts. Please see more details in the sections below regarding risk mitigations.

### b) The prevention of crime and disorder

Due to the primary nature of the business as an art, design and gift shop, we are not anticipating any crime or disorder. However, given the plans to sell a small amount of alcohol (during the hours of 9.00 -18.00 maximum and likely less on some days if at all), we appreciate the potential risks. To mitigate any risks, we will:

- install CCTV outside the premises
- ensure only staff over 18 will be able to sell alcohol
- train staff to ensure age verification is required on individuals buying alcohol

### c) Public safety

Due to the nature and size of the business, it is anticipated that there will be a maximum of only approximately 10-15 people in the premises at any one time. There is an existing fire safety door in the premises and we will comply with health and safety regulations.

### d) The prevention of public nuisance

Due to the nature of the business, we do not anticipate public disturbances. There may be some low key music within the shop to create ambience during opening times but this will not be heard outside the premises; alcohol for sale will be for gift purposes as opposed to on site consumption and the shop will not open beyond 18.00 hrs.

**e) The protection of children from harm**

As we will be selling a small selection of alcohol as gifts, we will use the challenge 25 policy to minimise risks of selling alcohol to minors.

**Checklist:**

exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.

10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships.

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity.

They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on GOV.UK and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Home Office online right to work checking service**

As an alternative to providing a copy of the original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9 share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work

checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
